This freehold land is in a perfect location for building your private luxury villa worth having million dollar views amidst a relaxing, serene natural environment

This land is located in a humble village, approximately 20 minutes from Candidasa, with the right altitude to enjoy the breathtaking views of the lush jungle landscape, the east coast sea views and with a guarantee that the views will not be blocked by another building. Only 50 meters from the main road and an already fully operating boutique hotel next to it.

This land is exceptional value and perfectly shaped and contoured, so as to take advantage of the stunning views that await you.

This land is a rare investment opportunity and won't last long on the market.
This freehold property is priced to sell for: IDR 2,840,000,000
